17 December 2020

Welcome

Our first term of the 2020/21 completed and what a busy term we have had. Firstly welcoming our new children to Hillview Nursery and welcoming back some of our older children. Watching how the children have settled and flourished during such a difficult time has been a credit not only to our staff, but the strong partnerships that they are developing with you the parent/carers to ensure all the children thrive.

This week the children have been making festive cards, decorating the tree and preparing for the concert. They have had lots of fun and laughter.

Next term

Our online observation system will go live in January, and if you have not already done so please accept the email sent by 'Evidence Me'. This will give you access to your child's development journey at Hillview. We will send photos of 'Wow' moments as well as observations supporting various areas of development. You will also have the opportunity to share photos with us to support your child's learning.

Website

We will be upgrading our website next term so please continue to check the site as we continually update with new initiatives to support parents. We also have home learning available to support your child if they are having to stay at home.

Coronavirus positive test

Please remember if your child is tested positive from now, up to 23rd December you **MUST** email the school in order for us to make contact with other children in the bubble to self isolate. Note this is **only** for the child testing positive **not** household members.

If a household member tests positive from 24th December, you will need to follow public health guidelines and let us know if your child is isolating when they are due to return to school.

Email: hillviewnurseryoffice@roxeth.harrow.sch.uk

Food

Due to the ongoing pandemic we are aware that many families are facing financial difficulties at the present time. Hillview have been donated a huge amount of tinned food by the John Lyon Trust which we will continue to store throughout January. Should any family need supplies please do not hesitate to contact us next term and we can arrange for you to choose what you need.

Thank you for your continued support of our nursery

Enjoy the festive break and wishing all the families a Peaceful and restful New Year.

See you all on Tuesday 5th January 2021

Jackie Halpin & Carly Orbell

Head Teachers – Hillview Nursery School
