Step 2: Draw round the ears and headpiece template (included in this pack) on to black card and carefully cut out. Then attach to the strip with double-sided tape or a stapler.

Step 3: Cut round the template supplied of the inner ear detail on to brown card. Then glue to the middle of each of Bing's ears.

How to Make Bing's Costume:

Step 1: To make the button, draw round a glass or beaker on to yellow card, and carefully cut it out. Draw two black lines with the black marker to create the 'thread' of the button. Then attach to your red top with sticky tape or glue.

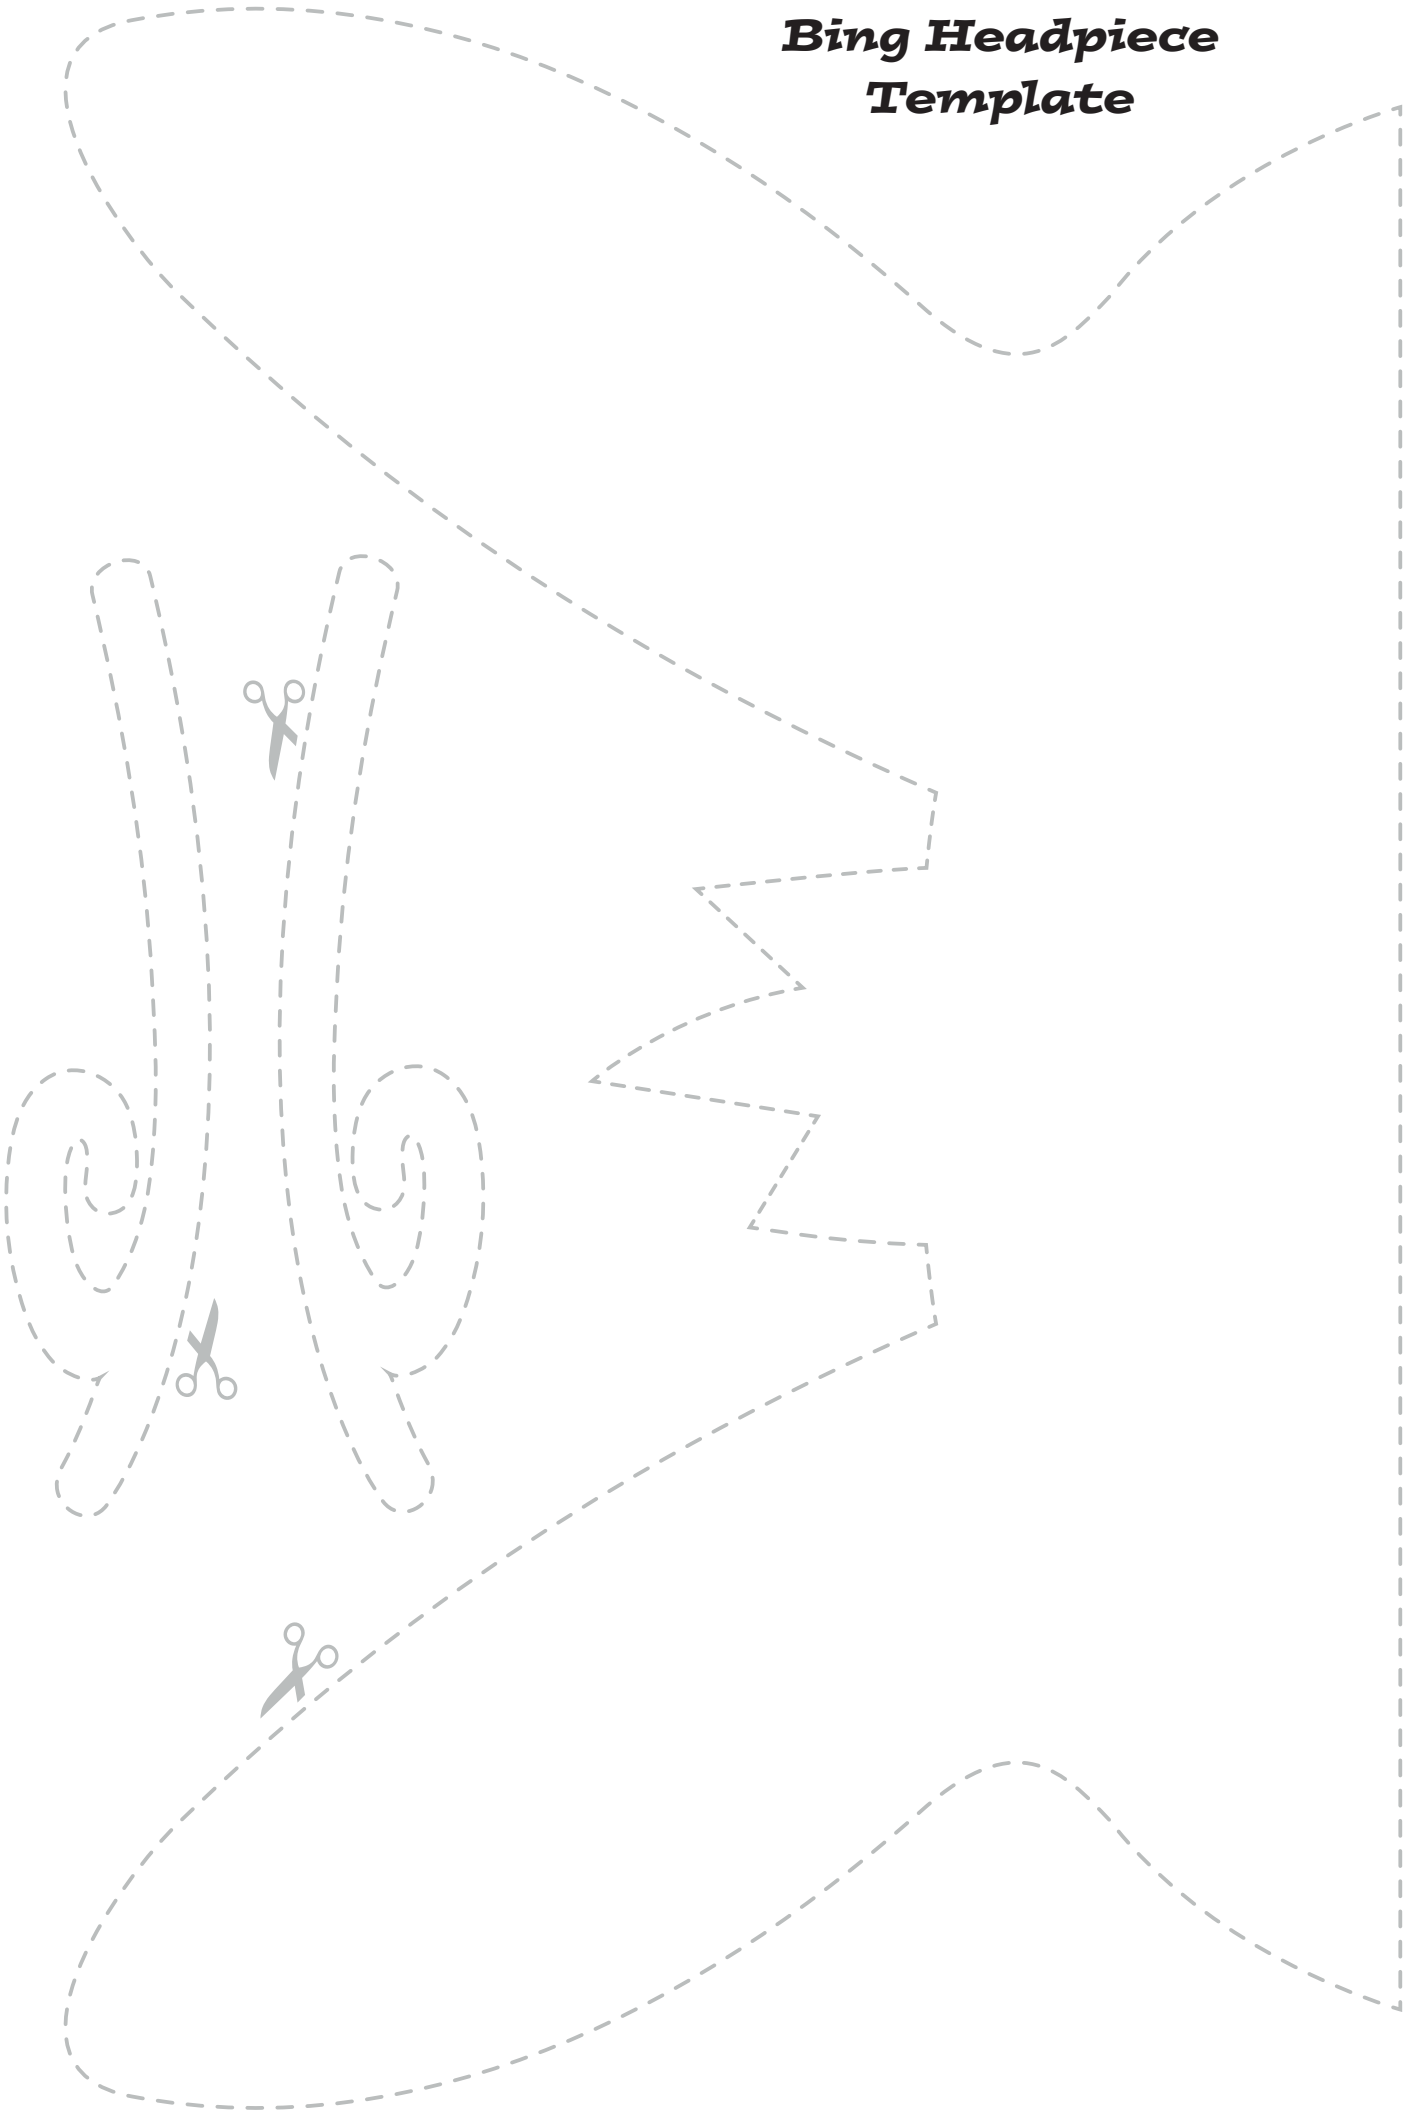

Step 2: Put the green T-shirt on the child, and add the red vest over the top. If you don't have a red vest, you can cut the sleeves off a red top.

Step 3: Put on the trousers (jeans, jogging bottoms or shorts), to complete your Bing outfit.

Step 2: Draw round the template (included in this pack) on to brown card and carefully cut out. Attach the ears with double-sided tape or glue either side of the main head piece.

How to Make Sula's Costume:

Step 1: To make the butterflies, draw round the templates on to a folded piece of orange card. Carefully cut them out and stick on to the dress using double-sided tape or strong glue.

Step 2: Carefully measure the length of ribbon so that it fits along the seam of the dress (or vest), and glue to the bottom. Tip: If you don't have orange ribbon, you could try cutting up an orange supermarket bag instead as a cheaper alternative. You could even use some orange paper for the detail.

Step 3: Lastly, add a yellow T-shirt and jeans to finish off Sula's outfit!
