

Hillview Nursey School Newsletter

26th January 2021

This week at nursery we are learning;

We are learning all about winter.

We are making our own snowman by drawing around different shapes. When we are finished we are going to paint and decorate them.

We are making winter pictures using flour, cotton wool and tissue paper.

We are looking at quantity; we will be looking at the numbers on the snowman's hat and finding the right amount of buttons that match the numeral.

We will also be looking at sequencing by arranging the snowmen in the right order of number

Activities you can do at home:

Make your own snow man, draw around different resources in the home and decorate using different textured materials.

Look at numbers 1 -10. Ask your child if they can identify the numbers and put them in sequencing order. Take a number away and see if they can guess which number is missing.

Use egg containers, write the number inside the egg cup, ask your child to identify the number and find the right amount of objects

Dates for the diary;

No events this week

Songs to sing together at home;

This is the way we put on our coats.

5 little snowmen

General Information;

If your child has been unwell with sickness or diarrhea please do not bring them back to nursery until 48hrs after their last bout as per our policy.

Rapid Covid Test - There is currently a very high Coronavirus (COVID) infection rate in the Harrow area with some residents having COVID without knowing it, because they do not show or feel any symptoms. To help locate the infected residents and break the chain of infection Harrow have introduced Rapid COVID testing for people who are **not** showing any symptoms of COVID. Also known as a Lateral Flow Test (LFT), Rapid COVID testing gives a positive or negative COVID result in approximately 30-40 minutes.

To book: www.harrow.gov.uk/test

Family photo please email us a photo of a family We are going to create a display, this will encourage your child to talk about their family and give them a sense of belonging.

FLU vaccination for 2 and 3 year olds. Your children are entitled to free flu vaccine on the NHS. Please contact your GP

Winter Clothes the weather is getting colder please send your child in with a labelled hat, scarf and gloves.

Ofsted (October 2019) said: "Children achieve well at Hillview Nursery School. Staff plan activities carefully and review these activities to respond to children's interests. Children with SEND receive excellent support. Leaders and staff know what they want the children to learn and understand. Their expectations are ambitious, including for the two-year-old children. They plan ...learning so that children build on what they already know and can do"
